Notes:

1. A register will be taken for all distance learning training dates - training will last the whole day for each session (see session timetables for specific start and finish times). **These sessions will be recorded** and available for candidate review at a later time.
2. Revision seminars will take place between formal training session dates. They will commence at 10:00 hours and last approx. 1.5 hrs each and they will allow an opportunity for candidates to ask questions. All candidates are encouraged to attend these seminars. **These sessions will be recorded.**
3. All examinations will commence at 14:00 hrs on the published exam day and last for 1.5 hours each. All candidates are to turn up to the exam venue at least 30 minutes before exam times for exam registration and clerical checks.
4. Set assignments are to be submitted by the dates shown above in the timetable.
5. Task based assessments (case study and quality poster) will take place at scheduled revision seminar dates shown above and will last approx. 3 hours. **These specific revision seminars are mandatory and will not be recorded.**
