How to find Southampton General Hospital

Address: Southampton General Hospital, Tremona Road, Southampton SO16 6YD
**3Words:** ///oath.land.jumpy

By Road	From the M3 - Follow signs for Southampton A33 (not Southampton Docks). Follow signs for the A33, then join the A35 Winchester Road, turn right onto Dale Road and then right onto Tremona Road. From the M27 (East) - Take Junction 5 (Southampton Airport/Eastleigh) and take the first exit off the roundabout. At the major intersection with The Avenue, continue straight along Burgess Road. Turn right and immediately left onto Winchester Road, turn right onto Dale Road and then right onto Tremona Road From the M27 (West) - Take Junction 3 and follow signs for M271 City Centre and The Docks. At roundabout turn left onto A35 Redbridge Road. Follow signs for the A35 and University of Southampton then continue along Teboura Way onto Winchester Road, turn right onto Dale Road and then right onto Tremona Road Public Transport
By bus	Several local bus routes serve the hospital sites. They are the Xelabus X11, Bluestar 7, Bluestar 17, City Red Three (First Bus), Unilink U6H. The bus stop is located on Tremona Road opposite the Main Hospital entrance. There is not an onsite bus stop.
By rail	The closest station is Southampton Central which is approximately 2.3 miles from the hospital. You can catch the Bluestar 17 and City Red Three buses from the station. Both continue to Southampton General Hospital and Princess Anne Hospital. There are also several taxi services which run from the station.
Car Parking	There are 3 car parks on site which are used by Southampton General Hospital The car parks are called the Blue Car Park, the Orange Car Park. The Orange Car Park is to the front of the building facing the main hospital entrance. The Orange Car Park is on 2 levels with the lower level having the accessible parking Blue Badge bays. The upper level also contains the emergency helicopter landing pad. **Charges apply to all users of these car parks. Please take the ticket with you**
