**Notes:**

1. A register will be taken for all distance learning training dates - training will last the whole day for each session (see timetable for start and finish times). See individual timetables for further details for online learning activities. **These sessions will be recorded** for candidate review at a later time.
2. Summary revision seminars are optional and will take place between formal training session dates. They will commence at 10:00 hours and last approx. 1.5 hrs each and they will allow an opportunity for candidates to ask questions. All candidates are encouraged to attend these seminars. **These sessions will be recorded.**
3. All examinations will commence at 11:00 hrs on the published exam day and last for 1.5 hours each.
4. Set assignments are to be submitted by the subsequent exam dates shown above.
5. Task based assessments (case study, quality poster) will take place at scheduled seminar revision seminar dates and will last approx. 3 hours. **These specific revision seminars are mandatory and will not be recorded.**
