

To get to the Horizon centre at Torbay Hospital follow the signs from the main entrance from Lawes Bridge rd (This entrance is located on the crossroads opposite McDonalds / Pure Gym). The Horizon Centre is on the left hand side, following the first road on the left from the main entrance to the Hospital grounds, as you walk up a slight hill. Report to the Horizon Centre main reception and you will be taken to the TREC centre, which is attached to Horizon, for the exam. There are toilets located in both the Horizon Centre and the TREC if required.

The nearest train station is Torre, which is a 15 min walk or a short taxi ride from the Hospital. (Please see Map Below). Local accommodation is available through one of the many B&B options in Torquay. Any located on Avenue Rd, are a short walk from the Hospital.
